Marathi	
Reads aloud with fluency, accuracy and intonation expression	B+
Hindi	Assessment 1
Ask and answers questions about unknown words in a text	AB
Identifies the main topic and recall key details of text	AB
Describes connection between information in a text	AB
Follows order of sequence	AB
Generates and organizes ideas	AB
Revises and edits writing	AB
Distinguish between information provided by pictures/illustrations and by words	AB

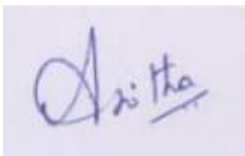

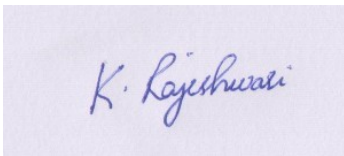

SCHOLASTIC AREAS	
French	Assessment 1
Ask and answers questions about unknown words in a text	A+
Describes people, places, things and events with details	A+
Identifies the main topic and recall key details of text	A+
Listened attentively to stories/poems/songs	A+
Recalls details from stories/poems listened to	A+
Mathematics	Assessment 1
Demonstrates mathematical thinking and solving skills	A
Analyse and apply four operations addition, subtraction, multiplication and division in solving real life problems	A
Use place value understanding and properties of operations to perform multi-digit arithmetic	A
Solve problems based on mathematical statement involving number operations	A
Makes effective use of a variety of mathematical tools in the learning and application of mathematics	A
Represents and interprets data	A
Estimates sum differences and products of two or more given numbers.	A
Identifies basic 2D and 3D shapes	A
Understand connection of geometrical concepts with daily life	A
Identifies and classify shapes based on their attributes	A
Observe, extend and creates patterns using different objects, shapes and numbers	A
Science	Assessment 1
Asks questions, analyzes data, make observations, and communicates findings/solutions	A+
Demonstrates an understanding of scientific content and concepts	A+
Applies process skills to develop and justify explanation	A+
Demonstrates curiosity, logical understanding of facts and raising critical questions	A+
Appreciates varied opinions ideas and beliefs	A+
Social Studies	Assessment 1
Applies critical thinking to extend understanding of content and concepts	B+
Demonstrates curiosity, logical understanding of facts and raising critical questions	B+
Recognizes the importance of traditions, values, and beliefs	B+
Identifies and predicts possible causes, compares and draws out results	B+
Identifies similarities and dissimilarities sort/group with reason and understanding	B+
Active listener, expresses and articulates thoughts and ideas	B+

SCHOLASTIC AREAS	
Computer	Assessment 1
Displays knowledge and skills of using technology to accomplish task	A+
Listens and follows directions promptly	A+
Works productively and independently on assignments	A+
Uses logical skill for problem solving	A
Uses critical and analytical thinking skills for practical solutions	B+
Is competent, confident, responsible and critical users of technology	A+
Uses technology tools with proper care	A+
General Knowledge	Assessment 1
Observing and exploring different concepts	A
Appreciates the variety and diversity around us and globally	B+
Demonstrates curiosity, logical understanding of facts and raising critical questions	A
Respect others opinions, ideas and beliefs	A
Value Education	Assessment 1
Respect others views and listens to them	B+
Identify the need to help others	A
Understand the need to treat others and be treated fairly	A
Recognise the importance of being well mannered	B+
Recognise and appreciate the variety and diversity around us	B+
Reflect positively on the values learnt	B+
Art and Craft	Assessment 1
Demonstrates development of self expression and imagination	A
Demonstrates development of fine motor skills	A
Displays effort and good craftsmanship in completed project	A
Is attentive to demonstrations and directions	A
Makes good use of art time	A
Uses materials appropriately and helps in cleaning up	A
